

Frequently Asked Questions

1. Where is the park located?

The park is located on the North edge of the parking lot at Two Rivers Activity Center, 1501 5th St NE, Jamestown, ND.

2. Who owns and operates the Splash Park?

The Splash Park is part of Two Rivers Activity Center which is owned and operated by Jamestown Parks and Recreation Department.

3. How big is the park?

The park is approximately 77,000 square feet. The water features encompass 6,500 square feet.

4. What is/will be included at the park?

The park currently contains the following;

- Bathhouse- Admission, concession, staff room, restrooms, changing rooms, showers, lockers, and mechanical room
- Splash Pad- Three activity stations to include four slides, Sky Soaker, Discovery Stream, Spray Tunnel, Spinners, Shooters, Puddles, Soakers, Fun-brella, Waterfall, Spiral Tunnel, Spin-a-roo, Misty Twisty, and ground sprays.
- Shade shelters- Three shelters

Future plans involve adding:

- Sand volleyball courts- Three courts
- Multipurpose court- Basketball and pickleball
- Bocce Fields
- Green space- open grass space which can be used for a variety of activities such as frisbee, yard games, etc...

5. What is the projected construction cost?

Three million dollars.

6. How is the project funded?

The cost of construction is funded by private donations and grant funding. Operation costs will be supported by Jamestown Parks and Recreation general fund.

7. What are the anticipated operational costs of the Splash Park?

For 80 days of operation the anticipated operational costs are approximately \$30,000.

8. Is a pool included in the Splash Park?

No, not at this time. Land is designated for a pool in the future. The site plan and bath house have been designed to efficiently be expanded to include a pool.

9. Why was the splash pad constructed before a pool?

After review of project costs, it was determined that a splash pad is less expensive to build and maintain over time than a pool. In addition, a splash pad allows for more days of operation into early Spring and late Summer.

10. When will a pool be added to the Splash Park?

At this point there is no time frame for the addition of a pool. The site is designed to include a pool when costs and available funding align.

11. What is the admission to visit the Splash Park?

A small admission charge of \$4/youth, \$2/individual or \$12/family will be assessed to those that enter the gates of the splash deck area. This admission will be included in TRAC memberships but non-members are able to purchase a day pass or season pass to use the splash deck. The courts and green space will not have an admission fee.

12. Are there shade shelters available to rent?

Yes, there are three shelters available to reserve and rent. When not rented the shelters will be available for guest use on a first come-first serve basis.

13. Does the splash pad use a flow through or recirculating system?

The water is filtered using a similar recirculating system to the indoor pools at TRAC.

14. Is the Splash Park staffed?

Yes, the Splash Park has staff working the admission/concession area and during peak times supervisors/lifeguards are on duty to ensure a safe and enjoyable experience for guests. JPRD and TRAC staff are responsible for facility maintenance and cleaning.

15. When did construction begin?

Construction began in August 2020 and the park opened in May of 2021.
